

Fourth Reformed Church

To celebrate and worship our Lord and King

8 April 2018

Welcome! Thanks for joining us. If you're new, please fill out a connect card (found in the bench rack), and drop it in the offering plate when it's passed, or give it to one of the people standing by the doors at the end of the service.

What does eating fish, tending lambs, and a long walk on the beach have in common? We'll answer that question as we dig into John 21 and explore the way Jesus enters into our lives to serve, restore, and commission us.

Announcements

Mission of the Month - Joel & Marilyn Van Dyke

When the Van Dykes moved to Guatemala in 2003, they initially committed to a three-year term. Now after almost fifteen years of living in Guatemala, they said their final good-byes this past Wednesday and are transitioning to Sarasota, Florida. Nothing is changing in their ministry, just a change of office location. They will stay intimately connected with the work in Guatemala as well as all the other cities of the Urban Training Collaborative. Joel's father lives in Sarasota and it is a short flight to Marilyn's mother in Puerto Rico. Pray for Joel, Marilyn and Sofia as they settle into a new community and culture. Their son Joeito is attending Cornerstone. Our offering for the Van Dykes will be received on April 22.

Looking Ahead

Next week is GEMS Sunday. We will also be taking an offering for the GEMS' main office as they provide support materials for the groups. The girls will also have crafts to sell to raise money for field trips for next year. April 16 will be the final event for the year. Special Friends, moms, sisters, etc are invited to attend at 6pm.

On April 22 Branson Parler will be preaching and on April 29 Aaron Wetzel will be leading us as Pastor Eric will be on a spiritual retreat.

Kids Hope

Mentoring schedule will resume tomorrow.

A Great Time to Connect

Mission Trip

This summer we'll be partnering with World Renew in the Detroit area. Parts of Detroit are still recovering from the historic flooding that took place in the summer of 2014. We have the opportunity to come alongside this recovery effort and share Jesus' love in a very real way. This trip is open to everyone who is in middle school or above at Fourth. People of all skill levels are needed to work together to help reconstruct homes and buildings damaged by the flood. We will be going on Friday, June 22, and returning on Monday, June 25. If you are interested in learning more about this trip, please sign up this morning. You're name on the line only communicates you would like more information.
