

Fourth Reformed Church

To celebrate and worship our Lord and King

28 October 2018

Welcome! Thanks for coming. If you're new, please fill out a connect card (found in the bench rack), and drop it in the offering plate when it's passed, or give it to one of the people standing by the doors at the end of the service.

This morning we continue to explore the letter to the Colossians. We'll see what it means to be rooted and built up in Jesus, and what it means to be on guard against ideas that would subvert the gospel.

Pray for **Denis Jingles** who recently received a probable diagnosis of Posterior Cortical Atrophy, a rare dementia that causes visual impairment and eventual memory loss. Pray that Denis and Sue would experience peace and comfort as they learn more about how this will impact Denis.

Maria Dorn is having arthroscopic knee surgery on Thursday. Pray for positive results from this procedure.

Announcements

Mission of the Month - Joel & Marilyn Van Dyke

Joel has been on the Island of Hispaniola this past week, the home of two cities of the Urban Training Collaborative -- Santa Domingo, Dominican Republic and Port-au-Prince, Haiti. Pray for this time of discernment and developing an action plan for the coming year as they dive into the nuts and bolts of these cities. Thank you for your prayers and financial support for this ministry which helps transform cities around the world.

Mission Update

Gary & Rachel de Leon, our missionaries from Guatemala, are in Michigan until mid December connecting with supporters and other work for AMG. They will be staying in a cottage by Bostwick Lake. If you would be interested in supporting them through meals while they are here, please sign up and Ruth will be in contact with you. Perhaps a freezer meal would be a good idea so they can pull it out when needed. You do not have to be responsible for delivery. We look forward to hearing from them on Sunday, November 11.

Support the de Leon Family

A Mission Group is baking together to support the de Leon Family with raising funds for a ministry project and new church with the refugees from the volcanic eruption that took place this past June. Show your support by ordering an Apple Pie (\$15, frozen and ready-to-bake) and/or Pumpkin Roll (\$10). The order form can be found on the back table. Orders will be filled on November 11.

Hymn Festival Tonight

You are invited to the annual Reformation Day Hymn Festival today at Beckwith Hills CRC at 6:00 pm. An evening of singing along with the choirs of Beckwith Hills, Blythefield and East Leonard CRC, an orchestra and children's choir, Scripture reading and fellowship. The theme this year is "Raise the Song of Harvest Home."

Disability Awareness Month

As we finish up our month long celebration of inclusion today, we want you to note that this is just the beginning. Inclusion is a way of life. At Fourth, we strive to include everyone by way of participation and service because we are all part of the Body of Christ. Each part belongs, each part serves. Be looking this morning for the video done by many of you and the inclusion team. A special thanks goes out to Abbie Schalk who used her gifts to record and put together the final video for our service today!
