

Fourth Reformed Church

To celebrate and worship
our Lord and King

18 August 2019

Welcome! Thanks for coming. If you're new, please fill out a connect card (found in the bench rack), and drop it in the offering plate when it's passed, or give it to one of the people standing by the doors at the end of the service.

Last week we saw a vision of crescendoing praise to God and the Lamb for their defeat of Babylon the Great. Today we get an epic vision of Jesus as a Victorious Warrior King, and we'll see how Jesus has fought and continues to fight for us.

Praise & Prayer

David Haney, John's brother, was traveling for work and collapsed in Milwaukee this past week. It was determined he suffered a heart attack and cardiac arrest. The prognosis is grim. Please pray for John as he processes this and handles it in a healthy way and pray for the whole family as their world has been suddenly shaken. (David's daughter quickly flew to Milwaukee from CA and delivered her 4th child there unexpectedly.)

Barb Blystone was admitted to the hospital this past week due to abdominal pain. She was diagnosis with an inflamed pancreas, and had to have her gallbladder removed. Pray that she continues to heal from these issues, and pray for wisdom for Lynn and Ralph as they try to figure out her future care.

Maria Dorn will be having knee surgery Thursday. They will put a screw in her patella and take bone marrow from her hip to aide in healing. She will have a four week recovery period.

Announcements

Congregational Meeting

Join us this morning after worship to address some concerns about our denomination, and what might be happening in the next year.

Children's Worship & Christian Education

It's that time of year when we direct our attention to making sure our ministries are effective in our spiritual growth and run well for the season. Two very important ministries that will start up soon are Children's Worship and Christian Education and we need your assistance. If you feel led in helping with K-3rd grade or high school see Amy Baragar. If you would like to be a part of loving and nurturing our young children in their faith, sign up for Children's Worship. (The sign up disappeared, so if you did sign up, please do it again. Thanks!)

Mission of the Month - Mission India

Mission India reminds us how much the Year-Long Children's Bible Clubs transform the children and their families. On top of holistic change displayed through better hygiene, respect for parents, improvements at school, and kindness toward peers, children have received Jesus as their Savior and are acting on their faith. They are sharing the Gospel at home and leading their families to Christ! What a privilege we have this morning to share in that transformation through our financial gifts.

Mission Offerings

Thank you, thank you for your faithfulness in supporting our monthly missions. These are the totals so far this year. The Boehms were pushed back a month so it could coincide with their visit, so Words of Hope has rotated through twice already. Words of Hope: \$1,981, Mission India: \$1,323, NCN: \$1,042, DeLeons: \$1,212, Van Dykes: \$495, Boehms: \$1587.

Appreciation

Thank you for all of your prayers for Rick and our family during the past two years. It was often one step forward and two back - but we thank God for the time He gave us. Now Rick is Home and free from his pain and struggles. - Nancy Aukeman

Faith Formation Sunday

On Sunday, September 8, we will be kicking off our school year ministries. We will commission our C.E. teachers and pray for all the volunteers who participate in various programs. Beau McDowell and his brother Rick will be catering a pulled pork lunch that day following C.E. Please sign up so we know how many to expect!
