

Fourth Reformed Church

To celebrate and worship our Lord and King

2 February 2020

Welcome! Thanks for coming. If you're new, please fill out a connect card (found in the bench rack), and drop it in the offering plate when it's passed, or give it to one of the people standing by the doors at the end of the service.

In our text today, we will further unpack the question "what are bodies for?" Against those who downplay the importance of the body, Paul outlines a breathtaking theology of the body: that our bodies are temples of the living God, the dwelling place of God with his creation.

Communion Offering

This morning we will take a Communion Offering for the Calvin Prison Initiative where they provide a Christian liberal arts education to inmates in the Michigan Department of Corrections. Their vision is to equip adult learners in prison with the knowledge and skills required to be community leaders.

GEMS

There are still openings on the snack schedule for you to sign up this morning!

Mission of the Month - Mission India

We praise God for the transformation that took place throughout India this past year. As Todd VanEk (President & CEO) wrote in his letter, "many gained holistic life skills, heard the Gospel for the first time, and received Jesus Christ as their Savior!" Through our partnership with Mission India, the light of Christ is shining brightly. As you look at the Children's Bible Club final report found in your mail slot, you can see what a difference our financial gifts and prayers are making in this Kingdom-building work. Pray this month that many new hearts will be open to hearing about Jesus in 2020 through the Adult Literacy Classes, Children's Bible Clubs and Church Planter Training.

Kids Hope USA

Pizza Luncheon with our students will be held on February 12 from 11:20 - 12:45 at Kent Hills School. Kids Hope volunteers, please sign up if you're able to attend.

Leadership Team meeting will be held following the Pizza Luncheon on February 12.

Sanctuary Project Begins

This coming Saturday, February 8, we will begin to renovate the sanctuary by temporarily removing the pews, and tearing out the stage. If you are interested in helping with this work, please arrive at 8:30am. We'll work until 2:30pm. You are encouraged to bring a sack lunch. Next Sunday, February 9, we will begin worshipping in the fellowship hall.

Praise & Prayer

Tim Randall is doing much better! Please pray for Dave, Linda and Tim as they wait for an opening at a facility that can help with Tim's physical rehabilitation. Pray that he is able to go to a space that will fit him well, and come alongside Dave & Linda.

A **Kids Hope mentor** is still needed for a fifth grade student at Kent Hills School. Please see Mary Kay as soon as possible if you'd be willing to come alongside this student for the remainder of this school year.

We give thanks **Gary Proos** had a great post-surgery report at the Cleveland Clinic this past week.

Pray for **Jerry & Connie Wierenga**. They are struggling with various health issues. Jerry's sight is gone, and the upper portion of his lung is starting to close. Connie's back went out which is bringing her much discomfort. They do want to extend their thanks for the Christmas cards which brought them much joy during the holiday season.
