To celebrate and worship  
our Lord and King

**25 October 2020**

Welcome! If you are visiting this morning, we're glad to have you with us today. Due to COVID, we are asking that everyone sits only in the pews with cushions, and does their best to maintain social distancing in the rows. As well, we're asking everyone to wear their masks throughout the service, if you are able. We're eager to worship the Lord, but we want to do so wisely!

Jesus is coming! Our King is going to return, and when he arrives, he will come to judge the nations. We don't like to think about judgement, but the Apostle's Creed reminds us that when Jesus returns, he will come to judge the living and the dead.

## Announcements

### Missionaries of the Month – The DeLeon Family

"The plan for the upcoming weeks is to build a fence around TAVA school for safety and to keep our ministry area monitored and clean. Pray as we find the ideal workers to do this job in a timely manner! We built an ark (the meaning behind TAVA's name) and are working on having it equipped as a library and children's center in the next couple of weeks. Also we are working on purchasing two shipping containers in the next couple of days that will then be refurbished before the year ends. They will become classrooms and meeting rooms! We hope to have this all set up before we reopen. Keep us in your prayers for health and safety! We hope to be back in Michigan in April 2021 for a quick visit if all goes well! Offerings for the DeLeon's can be given any time during the month of October.

### Communion

Next Sunday we will take communion as a body. Like last time, we will provide individual cups with wafers that will be available in the narthex as you walk in. In preparation for communion, you are encouraged to spend time this week reflecting on the grace of God in your life so you can approach the table with joy for the salvation you have generously been given. A communion offering will be received for JJ Meadows who has been serving with CRU in Ecuador and will soon start working with CRU in Bogota, Columbia.

### Fellowship & Hospitality

Last week we opened our fellowship hall for the first time after worship. We are looking for a few people to help serve on a hospitality team. These folks would help serve coffee, and pre-purchased snacks. If you're willing to help, please sign up today.

### Child Care

We are planning to begin offering child care for children ages 2-6 in the near future. This will take place in the basement rec room, DURING THE SERMON. In order to do this, we need volunteers who are willing to serve on a rotating basis. There is a sign-up sheet on the back table, or you can contact Branson Parler to let him know you are willing to serve families with young children in this way. Parents and volunteers can also connect with Branson to discuss the protocols that will be in place for this time. We will plan to offer this beginning next Sunday, November 1, as long as we have sufficient volunteers at that time.

### Middle School

Tonight, from 5:30-7:00, we'll be gathering again for another great night of fun. Wear your masks and enter through the café door. See you tonight!

### Small Groups

Today, we continue our weekly small groups. If you're in middle or high school, you're invited. If you need to know your leader, come talk to Aaron.

Sunday, November 1, is the end of Daylight Savings Time. Please remember to set your clocks back one hour on Saturday evening, October 31.
