

Fourth Reformed Church

To celebrate and worship
our Lord and King

7 February 2021

Welcome! If you are visiting this morning, we're glad to have you with us today. Due to COVID, we are asking that everyone sits only in the pews with cushions, and does their best to maintain social distancing in the rows. As well, we're asking everyone to wear their masks throughout the service, if you are able. We're eager to worship the Lord, but we want to do so wisely!

This morning we continue our series on the prophets by digging into Daniel 5. We'll see how God works to expose the heart of Belshazzar, and how he works to expose our hearts as well, so he can reveal his love to us.

Praise & Prayer

This past week **Vera Baar** was diagnosed with COVID and placed in hospice care. Pray for Vera as she battles COVID, and pray that God would give her comfort and peace. Pray as well that God would protect the doctors and nurses who care for Vera in the coming days.

We give praise that **Marge Bolthuis** completed her radiation treatments this past week. Please continue to pray for healing and encouragement as she recovers from these treatments. She greatly appreciates all of the prayers on her behalf and the cards and words of encouragement she has received.

Please pray for **Gail Spangler**. Gail was recently diagnosed with new tumors on her brain and will need to begin treatment in the near future. Pray that the radiation works well, and that Gail remains healthy through the treatment.

Keep praying for **Betty Webster**. Betty has returned home from the hospital but continues to deal with health struggles. Pray that the doctors can find a solution and that she can begin regaining strength and stamina.

Announcements

Communion

This morning we have the privilege of celebrating the Lord's Supper together. As you came in this morning, you hopefully saw the table with the pre-packaged cups and wafers. Please hang on to this until we celebrate communion later in the service.

Missionaries of the Month – Mission India

With a country that has more children than adults, the children in India are essential in making a difference in their communities. Your support will give children the opportunity to participate in a Year-Long Children's Bible Club where they will receive help with their homework, learn about a Savior who loves them unconditionally, and be encouraged through Bible stories. As parents notice their child's changed attitude and increased obedience, many receive Him as their Savior too! Offerings to support Mission India may be given any time in February.

Middle School

Hey middle schoolers, this week we will be doing our Zoom program at 4:00pm. Please join in on the fun a little early this week!

Giving

You may recall from a previous bulletin that we closed out 2020 at 105% of our budgeted income for the year. Considering all we went through last year, that number is very encouraging! We started 2021 with a January collection at just 45% of budgeted income. While we continue to adjust to all of the challenges of COVID, remember you can give in person at church, by mail, or you can continue to give online through the link on our website.
