

# Fourth Reformed Church

To celebrate and worship  
our Lord and King

28 February 2021

Welcome! If you are visiting this morning, we're glad to have you with us today. Due to COVID, we are asking that everyone sits only in the pews with cushions, and does their best to maintain social distancing in the rows. As well, we're asking everyone to wear their masks throughout the service, if you are able. We're eager to worship the Lord, but we want to do so wisely!

This morning we continue our series on the prophets by taking an interlude into the Psalms. We'll see how the Psalms were vital for God's people in exile, and how they shape our faith today, as we too are pilgrims waiting for the coming Kingdom of God.

## Praise & Prayer

We praise God that **Gail Spangler** had a successful procedure this past week to remove cancer cells from her brain. She is home and recovering well. Continue to pray for Gail and Mark as they look for a place to live long term.

We praise God that **Shelly (Smith) Fahner's** surgery went well this past week. Shelly is home recovering and doing great!

Your continued prayers for healing and encouragement for **Marge Bolthuis** as she recovers from her radiation treatments are greatly appreciated.

**Thank you!** Betty Webster would like to thank the congregation for encouraging her with prayers, cards, and phone calls over the past five months. She is slowly gaining strength and is anxious to join us for in-person worship soon!

## Announcements

### Missionaries of the Month – Mission India

In a nation that is less than 6% Christian, your support is helping men, women, and children all throughout India hear the Gospel for the first time. By experiencing the love and peace of Christ, many lives are coming out from the darkness and into the light. With your help, God is revolutionizing a nation that is ready for change. Gifts for Mission India can be given today either by placing your gift in the offering plate at the end of the service, or through the link on our website.

### Communion

Next week we once again have the privilege of coming to the table of our Lord to celebrate communion together. As you move ahead through the upcoming week, prepare yourself for this sacrament by focusing on the abundant grace and mercy of God, poured out through the life of Jesus, for you.

### High School

Tonight, from 6:30-8:00, we'll be meeting for another in-person night together. Wear a mask, take your temperature and don't come if you have Covid. See you all then!
