Praise & Prayer

Continue to pray **Dianne Waterloo** through her chemotherapy treatments for pancreatic cancer.

We give praise that **Nicole Donovan** is recovering well from her foot surgery, and ask that you keep lifting her and the family up during the healing process. There are a couple spots open to provide meals. If you are able to help, please go to the Meal Train through this link: <https://mealtrain.com/2nw9n5> If you need help signing up, please reach out to Becky Berrevoets.

Bob Monsma is home and recovering from his shoulder surgery. We give praise that the surgery went well. Please pray for less pain, good sleep, and a good recovery. He wants to thank the prayer shawl ministry for the prayer shawl, and shares this verse from Romans 15:13 "May the God of hope fill you with all joy and peace as you trust in him so you may overflow with the power of the Holy Spirit."

Jan DeWeese recently started treatment for uterine cancer. Pray that the treatment would be effective for fighting the cancer, and that Jan would not have bad side effects from the treatment.

Bill Pyper goes in on the 24th to have one of his arteries cleaned out. Pray that the procedure would be effective, and that no additional surgery is needed.
