Praise & Prayer

We give praise that **Tom and Norma Boehm and their granddaughter, Chelsea**, have safely arrived in Thailand for a three-week visit with Jeff, Lisa, and their four children. Please pray for a time of meaningful connection and ministry encouragement. On this visit they will also spend a few days together on the island of Koh Chang.

We give praise that **Bill Pyper** was able to go home from the hospital on Monday. He is moving forward in the right direction, but it will take some time for him to fully recover. He's moving around really well so far and is out taking walks a few times a day too. Thank you all for your texts, calls, emails and most of all for your prayers during this time.

Continue to pray for **Eliana Parler** as she is at Grace University for training with Christian Youth in Action (CYIA) until Friday.

Pray for **Cindy Davis' dad**, as he awaits his appointment with the pulmonary specialist in July.

Continue to pray for **Suzanne Bolt, Nicole Donovan** and **Bob Monsma** as they recover from their surgeries. Pray for continued healing, strength and patience.

Continue to pray that the cancer treatments that **Dianne Waterloo** and **Jan DeWeese** are going through will be effective in fighting the cancer. Pray for minimal side effects and for encouragement for them both! Pray also for **Sandy Moll** as she cares for Dianne.

Announcements

Care Group Gathering Today!

The Taylor Eising/Marcia Schuur care group is invited to meet for a time of connection and refreshments in the Fireside Room after church TODAY (not July 25th as stated previously). We look forward to seeing you there and spending some time together!

**Missionaries of the Month: The Jeff & Lisa Boehm Family,
Youth with A Mission, Bangkok, Thailand**

Some thoughts from Jeff and Lisa Boehm, Bangkok Thailand. "When people ask about the sacrifice required to be missionaries, we often think of our distance from family. With our children graduating one by one, this distance takes on a new dimension! Health concerns among those we love are also especially challenging from a distance. Please pray for us and our families as we navigate that distance over the coming year. Thank you for continuing to journey with us as we equip, send out, and support more Thai and foreign workers to share the love of Jesus. We appreciate your friendship, prayers, and support very much!" The offering for the Boehms ministry will be taken today.

5-Day Bible Club

Sarah Parler will be hosting a 5-Day Club at their house June 26-30, from 1:30 – 3:00 pm for 5 – 12 year-old children. Pick up a flyer on the table in the narthex for more details, and please be praying as they share God's word and love with the children attending.

Gardener's Update

Thanks to everyone who came out and helped and ate on Wednesday! We delivered pizzas to some of our neighbors and had a great time of fellowship with some neighbors who came and ate with us. Continue to pray for rain, and if you have time to help in the gardens weeding or transplanting at a time different then Wednesday night let Gideon know.
