Praise & Prayer

Pray for all the folks who are struggling right now with various colds and viruses going around.

Easter is just over a month away! Start praying about who God might encourage you to invite to worship that weekend.

Praise God for all he's already done during this week of fasting, and for all we know he is yet to do. Pray that through this week of fasting, and the healing conference God would draw us close to him, heal our hearts, and renew our spirits.

Missionaries of the Month: Mission India

At the age of 14, a young boy suddenly became blind. This led to misery, loneliness and frustration, but at the age of 41 his life was turned around when he was invited to attend one of Mission India's Adult Literacy classes. Through this loving Christian community he heard the gospel message, and received Jesus as Savior. He was compelled to minister to others so he started a prayer group in his neighborhood where 80 people meet on a regular basis. He also now is singing at weddings and other events to support himself. Your donations help Mission India continue this life-changing work where many lives are being transformed by the gospel message. A special offering will be taken for Mission India during our service this morning. Another way for us to support Mission India is through volunteering at their Super Thrift Store located on Plainfield. If you're interested in learning more about this opportunity, please see Marcia Schuur.

Gardens Update

Have you noticed the bulletin board in the fellowship hall? Do you have questions about it? Questions about this year's plan for Union Gardens? Questions about the community garden? Be sure to be in the fellowship hall next Sunday, March 3rd, following the morning service, where Gideon will go over the plans in detail!

Rooted Youth Group

Tonight, from 6-8pm, we'll be gathering again for another great night together! Be there or be square as the kids say, these days.

Rooted Off Campus

Our next Off Campus will be at North End Community Ministry on March 2. We'll be seeing how the food bank works and spending some time helping out. Quick sign up forms will be available at Rooted Youth Group tonight.

Lost & Found

Be sure to see if any of your items are on the lost and found table. Items left after today will be donated or disposed of.
